EDUCATION

Antioch College; Yellow Springs OH; B.A.; Sociology; 1972.

Johns Hopkins School of Hygiene and Public Health; Baltimore MD; Sc.D.; Health Operations Research; 1978.

Johns Hopkins School of Hygiene and Public Health; Baltimore MD; Post-doctoral fellowship; Mental Disorder Epidemiology. 1979-80.

Languages: Reading knowledge of Dutch

HONORS AND AWARDS

National Research Service Award for doctoral studies, 1974-78.

John Hume Award for outstanding doctoral dissertation in Health Services Administration, 1979.

Delta Omega, honorary public health society, elected 1979.

National Research Service award for postdoctoral studies, 1979-80.

The Dlin/Fischer Clinical Research Award. with Wayne Katon, Elizabeth Lin, Greg Simon, and others for "Collaborative Management of Depressive Illness to Achieve Treatment Guidelines in Primary Care". Academy of Psychosomatic Medicine. 1994.

American Council for Headache Education Lecture Award, "Measuring Pain and Disability in Headache", American Association for the Study of Headache, Boston MA, 1995

The Dlin/Fischer Clinical Research Award. with Wayne Katon, Elizabeth Lin, Greg Simon and others for "Cost-effectiveness of a Collaborative Intervention for Primary Care Treatment of Major Depression". Academy of Psychosomatic Medicine. 1996.

Fellow, Association for Health Services Research, elected 1997.

Fellow, Society for Behavioral Medicine, elected 1997.

The Dlin/Fischer Clinical Research Award. with Wayne Katon, Evette Ludman, Elizabeth Lin, Greg Simon and others for "A Randomized Trial of a Relapse Prevention Intervention in Primary Care ". Academy of Psychosomatic Medicine. 2000.

Institute for Scientific Information (ISI) Highly Cited Researcher in Psychiatry and Behavioral Science, 2002.

IADR Aubrey Sheiham Award for Distinguished Research in Dental Public Health Sciences for Le Resche L, Mancl LA, Drangsholt MT, Huang G, Von Korff M. Predictors of onset of facial pain and temporomandibular disorders in early adolescence. Pain 2007; 129:269-278.

Dr. Lothar Beyer-Stiftung Prize for research on depression therapy general practice (Germany) for J. Gensichen, and others including M. Von Korff. 2008.

EMPLOYMENT

Senior Investigator, Center for Health Studies, Group Health Cooperative of Puget Sound, Seattle, 1983-present, promoted to Associate Investigator in 1986; promoted to Senior Investigator in 1993.

Associate Director for Research, Center for Health Studies, Group Health Cooperative, 1992-1996 and 1999-2005.

Professor, Affiliate appointment, Department of Psychiatry, University of Washington.

Assistant Professor, Department of Mental Hygiene, Johns Hopkins School of Hygiene and Public Health, Baltimore 1980-3.

RESEARCH GRANTS (as Principal or Co-Principal Investigator)**Active Grants**

Co-Principal Investigator, A Randomized Trial of Liaison Psychiatry in Primary Care. Fourth renewal; Co-Principal Investigator. June 1 2006 – May 31, 2011. Total award \$4.2 million. CHS award: \$3.0 million.

Principal Investigator, Long-term opioid management of chronic pain: Trends and risks. 9/1/2006 - 4/30/2010. R-01. NIDA. M. Von Korff PI. In collaboration with the Division of Research, Kaiser Permanente Northern California and the University of Washington. Total award: \$2.5 million. CHS award: \$1.0 million.

Principal Investigator, Depression-diabetes care disparities, adverse outcomes. 4/1/2005 – 3/31/2009. R-01s NIMH. In collaboration with the University of Washington. Total award: \$2.0 million. CHS award: \$1.6 million.

Co-Principal Investigator, Cognitive-Behavioral Therapy for Arthritis Pain and Insomnia in Older Adults. 9/1/2008 - 8/31/2013. Total award \$3.5 million. CHS award: \$1.6 million.

Completed grants as principal or co-Principal Investigator

Principal Investigator, Social role disability and mental-physical comorbidity. 1/1/2004 – 12/31/2008. R-01. NIMH. M. Von Korff PI. In collaboration with Harvard University and the WHO World Mental Health Survey Consortium. Total award: \$2.2 million. CHS award: \$1.1 million.

Co-Principal Investigator A Randomized Trial of Liaison Psychiatry in Primary Care. 1987-90, Wayne Katon PI, Funded by NIMH. GHC direct+indirect costs: \$317,027.

First Renewal: Co-Principal Investigator. A Randomized Trial of Liaison Psychiatry in Primary Care 1991-1995, GHC direct+indirect costs: \$1,100,404.

Second renewal: Co-Principal Investigator. A Randomized Trial of Liaison Psychiatry in Primary Care 1995-2000, GHC direct+indirect costs: \$1,545,707.

Third renewal; Co-Principal Investigator. A Randomized Trial of Liaison Psychiatry in Primary Care 2000-2004, GHC direct+indirect costs: \$2,423,124.

Co-Principal Investigator, Epidemiologic Studies of Temporomandibular Disorders; Samuel Dworkin, PI. 1985-88, Funded by NIDR. GHC direct+indirect costs: \$165,489.

Co-Principal Investigator, Program Project: TMD Longitudinal Studies: Clinical/Chronic Pain Syndromes; Samuel Dworkin, PI. 1989-93, Funded by NIDR. GHC direct+indirect costs: \$606,654.

First renewal: Co-Principal Investigator, Program Project: TMD Longitudinal Studies: Clinical/Chronic Pain Syndromes; Linda Leresche, PI. 1994-1999, funded by NIDR. GHC direct+indirect costs: \$936,942. [Principal Investigator of Project on Chronic Pain and Chronic Episodes of Care within program project].

Second renewal: Co-principal Investigator, Program Project: TMD Longitudinal Studies: Clinical/Chronic Pain Syndromes; Linda Le Resche, PI. 1999-2004, funded by NIDR. GHC Direct+indirect costs: \$1,353,287. [Principal Investigator of Project on Chronic Pain Management in Primary Care within Program Project].

Principal Investigator, Medical Care and Risks of Dysfunctional Chronic Pain. 1989-1992, Funded by AHCPR. GHC direct+indirect costs: \$834,503.

First renewal: Principal Investigator, Medical Care and Risks of Dysfunctional Chronic Pain. Funded by AHCPR. 1993-94 GHC direct+indirect costs \$398,778.

Principal Investigator, Studies of migraine and other common forms of headache, Funded by Glaxo Research Institute. 1994-95, GHC direct+indirect costs: \$44,098.

Principal Investigator, Costs of Care of Chronic Conditions in Managed Care. Funded by Glaxo Research Institute. 1995-98, GHC direct+indirect costs \$533,767.

- Co-Principal Investigator, Enhancing Self-Management of Back Pain in Primary Care. James Moore, Principal Investigator, Funded by the Boeing Foundation. 1997-99, GHC direct+indirect costs: \$118,680.
- Principal Investigator, Conference grant, "Requirements for Effective Chronic Disease Management", funded by the Robert Wood Johnson Foundation. 1996, GHC direct+indirect costs: \$28,978.
- Principal Investigator, Conference Grants, "Working Meeting of the Investigators of the World Health Organization Collaborative Study of Psychological Problems in General Health Care, Funded by Synthelabo. First meeting September 1995 \$80,000, second meeting October 1997 \$80,000.
- Co-Principal Investigator, Conference Grants, "Improving Care for Depression in Organized Health Care Systems". February 25-26, 1999. Funded by the Robert Wood Johnson Foundation (\$20,000), the National Institute of Mental Health (\$15,000) and the Hartford Foundation (\$15,000).
- Principal Investigator, "Evaluation of a Depression Telephone Follow-up System Packaged for Dissemination to Non-Profit HMO's". 1998-2000. GHC direct+indirect costs \$28,000.
- Co-Principal Investigator. "Costs of Care of Irritable Bowel Syndrome". 1999-2000. Funded by Glaxo Wellcome. GHC direct+indirect costs \$147,900.
- Co Principal Investigator (Rona Levy, PI). "Intergeneration transmission of illness behavior". Funded by National Institute of Child Health and Development. 1999-2002. GHC direct+indirect costs \$215,307.
- Co-Principal investigator (Judy Turner, PI). "Male Pelvic Pain Problems". Funded by Paul Allen Foundation. 1998-2002. GHC direct+indirect costs \$399,353.
- Integrated care for depression and chronic back pain. 7/1/2004 – 7/31/2007. R-34, in no-cost extension. NIMH. M. Von Korff, PI. CHS award: \$0.6 million.
- Conquest Study: Impact of Chronic Constipation. 6/1/2006 to 3/1/2008. W. Whitehead PI, M. Von Korff Co-PI. In collaboration with University of North Carolina. Total CHS award: \$0.4 million.

OTHER EXPERIENCE

- Statistical Consultant, ADAMHA, Mental and Nervous Disorder Cost and Utilization Study, 1979.
- Co-Investigator and Project Coordinator, Johns Hopkins, NIMH Epidemiologic Catchment Area Program. 1979-1983.
- Member, Inter-Site Methods Committee, NIMH Epidemiologic Catchment Area Program, 1981-1983.
- Co-organizer, First NIMH International Conference on Mental Disorder in General Health Care Settings. Held in Seattle WA June 25-26, 1987 (this conference has been continued annually by NIMH subsequently).
- Consultant, National Center for Health Statistics Evaluation of Pain Data, 1987-88.
- Study Advisor, World Health Organization, International Collaborative Study on Psychological Problems in General Health Care Settings, 1989-present.
- Study Advisor, World Health Organization, Working Group on the Development of the WHO Disability Assessment Schedule II. 1997-present.
- Co-organizer, Temporomandibular Disorders Research Diagnostic Criteria Conference, Department of Oral Medicine, University of Washington, with Samuel Dworkin and Linda Le Resche, Funded by NIDR.
- Co-organizer, Critical Next Steps to Improve Collaborative Management of Chronic Illness. Conference funded by Robert Wood Johnson Foundation held in Seattle WA, June 28-28, 1996.
- Conference organizer, "Working Meeting of the Investigators of the World Health Organization Collaborative Study of Psychological Problems in General Health Care, First meeting September 1995, second meeting October 1997.
- Conference Organizer, "Improving Care for Depression in Organized Health Care Systems", funded by the Robert Wood Johnson Foundation, the National Institute of Mental Health and the Hartford Foundation. Seattle WA, February 24-26, 1999.
- Member, NIH Study Section, National Institute of Mental Health Health Services Study Section, February 1998-1999. NIMH Intervention study section 1999-2001.

SELECTED PRESENTATIONS AND SEMINARS

- Society for Clinical Trials, Annual Meeting, New Orleans, LA, May, 1985, "Controlled assignment of patients to practitioners: An approach to the evaluation of health care for common conditions".
- Workshop on Mental Health Liaison in Primary Care, National Institute of Mental Health, Washington DC, October, 1985, "Methodologic considerations in evaluating the clinical effectiveness of mental health liaison in primary care".
- Group Health Association meeting on Information Systems in Health Maintenance Organizations, Minneapolis, MI, October, 1985, "Research data as management information".
- International Association for the Study of Pain, Vth World Congress, Hamburg Federal Republic of Germany, August, 1987, "Epidemiology of TMD: TMD pain compared to other common pain sites".
- Workshop on Advances in the Epidemiologic Study of Pain, National Center for Health Statistics, San Diego CA, February 1988. "Epidemiologic methods in the study of pain: Cross-cutting issues and themes".
- Combined Medical Staff Rounds, Group Health Cooperative Central Hospital, Seattle WA, April 11, 1988 "High Utilizers: Who are they and why do they keep coming back?".
- Conference on Pain Measurement, Seattle WA, April 11-14, 1988. "Problems in measuring pain by survey: The classification of chronic pain in field research".
- Joint Canadian and American Pain Association Meetings, Toronto, Canada, November 10-13, 1988. "Issues in longitudinal studies of chronic pain dysfunction". Workshop on Pain Epidemiology.

- University of Groningen, Netherlands, Invited seminar, April 17, 1989. "Psychological distress, chronic pain and illness behaviors".
- World Psychiatric Association Section of Epidemiology and Community Psychiatry, Symposium on Psychiatric Epidemiology and Primary Health Care. Toronto, Canada, May 30-June 2, 1989, "A randomized trial of consultation-liaison psychiatry among distressed high utilizers in primary care: psychiatric status and effects on psychiatric treatment".
- Vith World Congress on Pain, Adelaide, Australia, April 1-6, 1990. Invited speaker, Topical seminar: Epidemiology of chronic pain.
- National Institute of Mental Health Conference: The Classification and Treatment of Mental Disorders in General Medical Settings: A Research Conference. Plenary presentation: Depression and functional disability among high utilizers of health care services. Bethesda MD, June 11-12, 1990.
- American Pain Society. The Clinical Epidemiology of Chronic Pain: Concepts, Methods and Recent Findings. The relationship between chronic pain and depression. Invited session. . St. Louis MO, October 26, 1990.
- Grand Rounds, Department of Psychiatry and Behavioral Sciences, University of Washington. A randomized Trial of Consultation Psychiatry with Distressed High Utilizers of Primary Care. Seattle, WA. November 29, 1990.
- Society for Behavioral Medicine. Depression and risk of onset of chronic pain: a 3 year follow-up of a pain-free population sample. Washington D.C., March 21, 1991.
- National Institute of Mental Health Conference: The Classification and Treatment of Mental Disorders in General Medical Settings: A Research Conference. The likelihood of being asked about depression among primary care back pain, headache and Temporomandibular Disorder pain patients. Bethesda MD, September 23-24, 1991.
- Canadian Pain Society. Management of Pain in Primary Care: Epidemiologic Perspectives. Invited plenary lecture. October 20, 1991.
- University of Luebeck, Germany. Pain Outcomes and Management in Primary Care: Epidemiologic Perspectives. November 26, 1991.
- National Institute of Mental Health Conference: The Classification and Treatment of Mental Disorders in General Medical Settings: A Research Conference. Self-report of disability: The replicability of reliability and validity in a multi-center, international study. Tysons Corners VA, October 18, 1992.
- International Association for the Study of Pain. Seventh World Congress on Pain. Perspectives on Pain Management in Primary Care. Invited Plenary Address. Paris, France, August 27, 1993.
- Critical Issues in the Treatment of Affective Disorders. The Relationship between Pain and Depression. Invited Speaker, Second International Conference on Mood Disorders, Symposium on Comorbidity, Paris, France, March 12, 1994.
- Health Services Research and Temporomandibular Pain. Invited speaker, International Workshop on Temporomandibular Disorders, Baltimore, MD, April 18, 1994.
- American Council for Headache Education (ACHE) Lecture Award. Measuring Pain and Disability in Headache. American Association for the Study of Headache, Boston, MA, June 23, 1995.
- Behavioral Health Care-Primary Care Summit. Invited plenary speaker. Mental Disorders in Primary Care: Prevalence, Utilization, Management and Outcomes. San Diego CA, March 28, 1996.
- NIH Technology Assessment Conference. Management of Temporomandibular Disorders. Health Care Utilization and Economic Costs. Bethesda MD, April 29, 1996.
- Association for Health Services Research. Session on Quality Improvement for Psychiatric Disorders in Managed Care-Responding to the Challenge. Improving the Management of Depressive Illness in Managed Care. Invited talk. Atlanta GA, June 10, 1996.
- Tenth NIMH International Conference on Mental Health Problems in the General health Care Sector. The Relationship Between Pain-Related Activity Limitation and Depression in Primary care. Plenary address. Bethesda MD, July 16, 1996.
- International Association for the Study of Pain, Eighth World Congress on Pain. A research program for primary care pain management of back pain. Refresher course on the design of clinical trials of pain treatments. Vancouver, BC, Canada, August 17, 1996.
- New Concepts in Migraine Clinical Trial Methodology Workshop. Measuring disability in headache. Invited talk. Rome, Italy, Oct 28, 1996.
- International Conference on Current Trends in Psychosocial rehabilitation and Family Intervention. National Institute of Mental Health and Neurosciences. Disability in a changing health care scenario. Invited talk. Bangalore, India, March 29, 1997.

- Promotion of Hans Ormel to Professor and Chairman of the Department of Social Psychiatry, University of Groningen. Population-based care of depression. Invited talk. Groningen, The Netherlands, April 1, 1997.
- Second International Forum for Primary Care Research on Low Back Pain. Self-care for Back Pain in Primary Care: a Randomized Controlled Trial. The Hague, The Netherlands, May 30, 1997.
- University of Calgary. Back Pain Management and Outcomes in Primary Care: Can We Do Better? Invited plenary lecture. Pain Management Conference. Calgary, Canada, December 5, 1997.
- University of Manchester. Cross-National Comparisons of Somatization: Results of the WHO Collaborative Study in Primary Care. Invited talk. 22nd European Conference on Psychosomatic Research. September 3, 1998.
- Trimbos Institute. Invited Seminar: Organizing Care for Depressive Illness. Utrecht, The Netherlands, September 9, 1998.
- Society for Behavioral Medicine. Self-Care Groups for Chronic-Recurrent Back Pain in Primary Care: Results of Randomized Controlled Trials. Symposium presentation. San Diego, CA, March 6, 1999.
- Trimbos Institute. Invited seminar. Population-based Care of Patients with Depressive Illness. Utrecht, The Netherlands, May 3, 1999.
- Third International Conference on Bipolar Disorder. Plenary address. Principles of Population-Based Care of Patients with Bipolar Disorder (Lessons from Depression Care Research). Pittsburgh, PA, June 19, 1999.
- Seventh Annual Regenstrief Conference. Symptom Research. Invited talk. Stepped Care Approaches for Back Pain: Integrating Education and Activation into Routine Care. Turkey Run State Park, Indiana, November 12, 1999.
- The Fourth International Forum for Primary Care Research on Low Back Pain. Effects of educational, activating interventions on health care use for back pain., March 12, 2000, Eilat, Israel
- WHO conference of Chronic Low Back Pain. Invited talk. Grading Chronic Pain. Lubeck Germany, Feb 2, 2001.
- Invited lecture. Health services research on depression in primary care. University of Freiberg, Freiberg, Germany, Feb 8, 2002.
- The European Society of Psychosomatic Research Annual Meeting. Pain and depression in primary care: Research findings from the Center for Health Studies, Group Health Cooperative. Invited talk, Lisbon, Portugal, June 21, 2002.
- The Scottish Pain Society. Reducing the Personal & Societal Costs of Chronic Back Pain: Integrating Efforts of Health Care, Voluntary & Public Sectors. Glasgow, Scotland, Feb 29, 2004.
- American Academy of Physician's Assistants meeting on improving adherence. Organizational Supports Needed To Improve Adherence. Washington DC, April 21, 2004.
- Invited Lecture. Depression Care: Winning the Battles, Losing the War. Visiting Professorship, Institute of Psychiatry, London England, November 3, 2004.
- Stepped Care and Chronic Disease Management in the US. Invited Lecture, Rob Giel Symposium on Mental Health Care, University of Groningen, The Netherlands, November 16, 2004.
- Understanding and Addressing Chronic Back Pain as a Public Health Problem. Blaustein Pain Lecture, Johns Hopkins Hospital and Bloomberg School of Public Health, May 6, 2005.
- Depression Care: Translating Research Into Practice. Invited lecture. The Future is Chronic: The Chronic Care Model in Primary Care Medicine. Conference organized by the Department of General Practice, University of Frankfurt, Frankfurt, Germany, October 17, 2005.
- Epidemiological study of medical and psychiatric comorbidity. Invited lecture. Symposium on the Comorbidity of Chronic Pain. Pisa, Italy, June 17, 2006.
- Mental-Physical Comorbidity and Back Pain. Invited Lecture. Symposium on the Rational Treatment of Back Pain. Amsterdam, The Netherlands, September 29, 2007.
- Why Pain Research and Practice Needs Epidemiology: the Case of de facto Long-term Opioid Therapy for Chronic, Non-cancer Pain. Invited lecture, Frontiers in Pain Research Lecture Series, McGill University, May 21, 2008.
